

## UFDS Premium Services

In addition to utilising Sportradar's market leading bet monitoring Universal Fraud Detection System (UFDS) solution at no cost, sports federations and leagues can enhance their service by adding premium services which include the following:

### DEDICATED ACCOUNT MANAGEMENT

- ✓ Dedicated senior account manager to support all integrity needs
- ✓ Full debrief on any suspicious matches
- ✓ Ad-hoc and bespoke requests, e.g. historical match review, FDS history background check
- ✓ Proactive information sharing
- ✓ Expert support for disciplinary cases

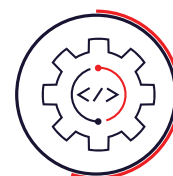

### REPORTING & ANALYSIS

- ✓ Detailed reporting of all suspicious matches
- ✓ Reporting of additional matches of interest
- ✓ Periodic betting activity and monitoring summary reports
- ✓ Advanced match-fixing trends analysis
- ✓ Analysis of match action and player/athlete performance
- ✓ Betting turnover/volume/handle analysis and estimations
- ✓ Risk assessments/betting market updates

### ENHANCED & BESPOKE REQUIREMENTS

- ✓ 24/7/365 real-time analysis of betting patterns
- ✓ Real time notifications of suspicious matches
- ✓ Delivery of reports to deadlines
- ✓ Tailored reporting and analytical products
- ✓ Bespoke monitoring setup, processes and analysis as desired

\* FDS Premium Services are not part of the UFDS service and incur costs

### OUR PARTNERSHIPS

Over 100 sports governing bodies, clubs, anti-doping organisations and law enforcement agencies rely on our services
