

Data Journalists

Various Locations

Do you love cricket? Are you looking for an exciting opportunity in the sports industry?

Sportradar is the leading global sports technology company creating immersive experiences for sports fans. We are looking for Data Journalists, responsible for attending Caribbean Premier League cricket events in Guyana, St. Kitts, Trinidad and S. Lucia and reporting all the key events as they happen.

RESPONSIBILITIES:

- Attend Caribbean Premier League cricket games and collect data from venue in real-time
- Oversee pre-match reporting processes on scheduled events such as match time, format, etc
- Comply with the moral code of the profession

REQUIREMENTS:

- Excellent knowledge of the rules of cricket
- Ability to travel
- Excellent attention to detail
- Clear and efficient communication skills

BENEFITS:

- Competitive pay based on the successful completion of the data collection
- Expenses for your travel are fully reimbursed
- Full scout training is included
- Official accreditation for Caribbean Premier League events will be arranged for you
